

Repertory of

Gem Therapy

***A Compiled Repertory of Gem
Therapy from Dr. Bhattacharyya and
Swami Narayani***

Note: where Dr. Benoytosh Bhattacharyya has been used, an asterix has been placed against the disease added from his repertory. Notes against Narayani repertory have also been added where there is a difference between Narayani and Bhattacharyya's prescription of gem. Where BOTH agree on the same prescription, it has been left in the original format that is used in this combined repertory.
